CYPRUS

Dear Mr Alexandros Nicolaou,

Re: In appreciation to participation to the 23rd World Scout Jamboree

It was our great pleasure to welcome your contingent to the 23rd World Scout Jamboree held on 28 July to 8 August 2015 in Kirara-hama, Yamaguchi City, Yamaguchi Prefecture, Japan. We were grateful to have around 34,000 participants from 155 countries and territories to unite together in Yamaguchi, Japan.

Your members were indeed excellent ambassadors of your country and of your association, and their energetic engagement has truly enriched the 23rd World Scout Jamboree. We hope all the participants were able to experience the sense of WA ~A Spirit of Unity~, and it is our earnest desire that their experiences and memories in Japan would become an inspiration to their life in the future.

Please pass on our sincere gratitude to all the people in your association who has committed their time and effort to make this Jamboree a unique experience for all. We hope your participants may have a chance in the future to visit Japan again. With our appreciation to the participation of your association to the 23rd World Scout Jamboree, we look forward to seeing each other again in the future international events, and most certainly, to unite once again in four years to together unlock a new world.

Thank you very much for participating in the 23rd World Scout Jamboree.

yours sincerely,

奥島 孝康

Takayasu Okushima

Camp Chief, 23rd World Scout Jamboree
& Chairman, National Executive Board,
Scout Association of Japan
